

Careers with Wollens

We are the law firm that thinks in full
colour, but keeps things black and white.
We are full spectrum law.

We are one of the leading and most highly respected regional law firms in the South West.

We have offices in South Devon, Exeter and North Devon with over 140 of the brightest minds.

scheme

Perfectly
formed

We pride ourselves on being a law firm that is neither too big, nor too small. We are perfectly formed. We are a genuine alternative to much larger firms and with significantly more to offer than smaller, high street solicitors.

Committed
to you

We never lose sight of what's most important:
to provide the best possible guidance in a
no-nonsense, approachable and accessible
way. And so although we have progressed and
developed as a business, we have not lost that
personal touch and family feel. You will be
joining a firm where our partners and managers
are friendly, accessible and approachable.

A culture
of wellbeing

We are proud to have established a supportive and inclusive culture within the firm and the health & wellbeing of our people is of the utmost importance to us. Our Health and Wellbeing Group continually look at ways to improve our working environment.

Wellbeing Mentors exist across our offices and they are all trained Mental Health First Aiders.

We have a Cash Health Plan which is a popular part of our employee benefits. As well as offering financial support towards medical costs, it also offers a wide range of wellbeing benefits.

The right
balance

Work/life balance is a priority to us.
We offer working from home flexibility
and also a generous holiday allowance and
an unpaid leave arrangement if you need
a longer break from time to time. In our
South Devon office we also have an
in-house gym for staff use.

Training & Development

We invest fully in supporting our teams and individuals and everyone has access to training from a range of providers.

Our focus is on firm-wide, continuous professional development, giving access to all and an invitation to discuss training needs regularly.
